the units of the 8th Gds Mecz Div stationed in Grimma have already been at the post in late August and have some of the elements trained on the Otterwisch training grounds.

The present report tends to indicate that the occupation remained unchanged until late September. Units still carried there included the Hq 8th Gds Mecz Div in the Nagema in the southern section of the Elsner Kaserne, the

and the unidentified signal battalion in the Elsner Kaserne
It could not be determined whether the 133d Gds Engr Bn is stationed in the Strassburg Kaserne or Elsner Kaserne. The 600 troops with artillery insignia again make it appear that the 265th Gds Mort Regt from Wurzen was transferred to the Elsner Kaserne. Supply officer Captain Zenushki (fnu) is reported for the first time.
